Telephone: +52 (722) 273 0981

Operational information:

Operational hours: Winter 1400-0400 UTC / Summer 1300-0300 UTC
Fuel available: Avgas 100/130 Jet A1.
Fire Cat: VI

For an early opening must be apply at least 24 hrs before arrival date and for overtime, at least 3 hrs before closing time.

It is our need to tell you about the fuel procedures in MMSD. Airport authority's states that aircraft arriving after 0300 UTC will only be able to uplift with the FBO's fuel truck.

If an aircraft arrives after 0300 UTC and departs on the following days during regular hours of operation, they will also need to uplift with the FBO's fuel truck.

The minimum uplift is 400 gallons per aircraft, if the aircraft needs to uplift less than 400 gallons, then there will be a charge of 12% of the remaining gallons. Even if aircraft does not need fuel, they will be charge the 12% of the 400 gallons as it is now mandatory.
