Arrival

1. Upon arrival, crew must follow ATC instructions for taxiing to General Aviation Apron through taxiways A or B depending on the arriving runway.
2. Crew and passenger passports will be asked by staff representative to take them to immigration and customs facilities.
3. When all passengers deplane, customs, National Guard and agriculture officers will come onboard to make a quick inspection. Please remember that all luggage must be offloaded and food will be disposed.
4. Passengers must walk inside the general aviation building to make the CIQ (Customs, Immigration and quarantine) processes. Luggage cannot be inspected without passenger's presence.
5. Passengers can exit from General Aviation or from the FBO.
6. The whole process will take around 20-25 minutes.
7. The aircraft will be towed to the FBO Mira.

Departure

1. Crew and passenger passports will be asked by our staff representative to take them to immigration facilities as well as their luggage.
2. The luggage will be taken inside the x ray clearance due a brief security inspection.
3. The whole process will take around 20-25 minutes.

This process could present delays due that Customs & Immigration authorities have top priority for commercial operations.
