Arrival

1. Upon arrival, crew must follow ATC instructions for taxiing to Commercial Aviation.
2. Crew and passenger passports will be asked by one of our staff representatives to take them to immigration facilities.
3. When all passengers deplane, Customs and Immigration agents will come onboard to make a quick inspection, personnel from SEDENA and National Guard will make other inspection outside the aircraft.
4. Passengers must walk inside the general aviation building to make the CIQ (Customs, Immigration and quarantine) processes. Luggage cannot be inspected without passenger's presence.
5. The whole process will take around 20 minutes.

Departure

1. Passengers are allowed to enter for General Aviation (just crew members need to go to the FBO) to continue with Customs and Immigration process, each one with their passport in hand.
2. The luggage will be taken inside the X-ray machine for inspection.
3. The whole procedure will take around 20-30 minutes.
